

PLUMPTON DOGGED TO THE END

Abridged

Plumpton Rugby Club's travelled to Hove for their first game of 2010 against Hove Beefeaters.

Plumpton faced a well organised and strong Beefeaters side and, despite playing most of the running rugby, particularly in the 2nd half with the slope, Plumpton was unable to close out the game. A try by Hove in the final second of the game flattered Hove, as the game could have gone either way.

Final score 25-11 to Hove. Man-of-the-match – Plumpton's aggressive tackling and try scoring Flanker Steve Blake.

Plumpton travel to East Grinstead this weekend, kick-off 2.15pm.
